**The future is now. Technology is rapidly transforming the way we live, work and play in our cities, and we need to be prepared to manage the inevitable change.**

At the 27th Annual Dinner, internationally-recognized author, speaker and strategy consultant, **Anthony Townsend**, will share his vision for the future of city-building, and help us understand the implications of technologically driven decision making.

Anthony is focused on the intersection of global urbanization and ubiquitous computing. He holds a doctorate in Urban and Regional Planning from the Massachusetts Institute of Technology and a Master's in Urban Planning from New York University.

Anthony founded Bits and Atoms, an integrated digital and physical urban planning strategic advisory studio that works with industry, government and philanthropy on economic development, digital placement and strategic technology forecasting. He is also the author of *Smart Cities: Big Data, Civic Hackers, and the Quest for a New Utopia* and co-founded the largest free Wi-Fi co-operative in the United States.

# THE 27<sup>th</sup> ANNUAL DINNER

The University of Waterloo Planning Alumni of Toronto has been bringing the planning industry together for the past twenty-six years. The 27th Annual Dinner promises to be another great success. The Dinner provides an exceptional opportunity to socialize, network and meet other professionals. It has become the "must attend" event for all planning, legal, land development and related professionals in Ontario.

The Dinner provides financial support for the Planner-in-Residence Program, scholarships and other initiatives for University of Waterloo School of Planning students. The Dinner is held at the Royal York, a well-known and elegant landmark hotel centrally located in downtown Toronto's Financial District. It is convenient to GO, TTC and UPX services at Union Station as well as parking.
